A Guide to Off-Roading For The Uninitiated

The first step for this build, is to cut all the pieces according to

Access Free How To Build An Offroad Buggy Manual

plan. It doesn't hurt to purchase extra material in case of a wrong cut or you find you need additional steel. Use a paint marker to label each individual cut piece so they are easily identifiable when assembled. Follow the rule of thumb to measure twice and cut once, this will save you a lot of time in the long run.
